

# PROMIX<sup>®</sup>

NOTHING SAYS GROWING MEDIA BETTER<sup>™</sup>

## VALUE-ADDED COMBINATION

THESE ACTIVE INGREDIENTS WORK TOGETHER TO POSITIVELY INFLUENCE PLANTS, FOR HIGH-PERFORMANCE RESULTS.

REDUCE  
TRANSPLANT  
SHOCK

OPTIMAL  
GROWTH AND  
UNIFORMITY

STRONGER AND  
MORE PRODUCTIVE  
PLANTS

These high-quality growing media enriched with cutting-edge active ingredients provide ideal growth environments for plants. By inducing the proliferation of root hairs, the *Bacillus* acts as a **BIOSTIMULANT**, and ensures better germination. By expanding the root system growth, **MYCORRHIZAE<sup>™</sup>** enhance nutrient and water uptake, reduce transplant shock and increase tolerance to stresses.

## HP HIGH POROSITY

- LOW WATER RETENTION
- GOOD DRAINAGE
- SUPERIOR-QUALITY AND CONSISTENCY FORMULA
